

Schedule Effective October 13, 2025[illegible]

*** On Saturdays, the Board will partner with any interested groups to try out alternative play formats—such as King/Queen of the Court. Sign-ups will be available through Court Reserve. If enough members sign up, we'll run the new format. If not, we'll stick with regular Paddle Up play.**

1. ☐ Courts 1,2,15 and 16 and are designated HOA courts. Paddle up is the play format.

2. Courts that are designated but not being used for scheduled play can be used by club members, but not to interfere with above scheduled play. Club members need to check with the court monitors to ensure the courts are not empty because a game has ended and players are waiting for the next game to start.

3. All Rated or Mixed Rated games are round robin games within the specific rated group. However, when the number of players exceeds the available courts by more than 3 players GLZMO may be used in order to give all players an opportunity to participate in the scheduled event.

4. Players must be at the courts 10 minutes prior to the start time. Monitors have the discretion to add players after the time limit.

5. Bye Priority. The filling of byes during scheduled play will follow the hierarchy below:

A. Byes from other groups in the same rating group. Example – Two 3.0 Men will play with two 3.0 Women.

B. Byes from higher/lower scheduled rated play. Example – One 4.0 Women or Man will play with three 4.5 mix.

C. In situations where A and B do not exist, the bye may be filled by any club member.

6. Higher rated players can only play down when there are available slots to create a foursome, but they cannot play if it creates byes for the scheduled time slot.

Players that wish to permanently or temporarily play down due to injury or not feeling competitive at your current level can contact the RRPC Treasurer to request a rating adjustment.

7. Members' overnight guests may play during scheduled times, in accordance with RRAZ-PC Bylaws; see the website.

8. Courts will be cleaned on a rotating basis on Monday through Thursday at a time to be determined by RR HOA. This will have an impact on scheduled events and the club working with the HOA will try to minimize that impact.

9. ☐ LIGHTS OFF AND ABSOLUTELY NO PLAY AFTER 10:00 PM OR BEFORE 6:00 AM.
