Reservation System for all HMC – holdmycourt.com/reserve2/robsonranchaz

1. Courts 1,2,15 and 16 are designated HOA courts.

2. Courts that are designated but not being used for scheduled play can be used by club members for paddle up play, but not to interfere with above scheduled play. Club members need to check with the court monitors to ensure the courts are not empty because a game has ended and players are waiting for the next game to start.
3. All Gender or Mixed Rated games are round robin games within the specific rated group. However, when the number of players exceeds the available courts by more than 3 players GIZMO may be used to give all players an opportunity to participate in the scheduled event.
4. Players must be present at the courts and signed up 10 minutes prior to the start time. Monitors have the discretion to add players after the time limit.
5. Bye Priority. The filling of byes during scheduled play will follow the hierarchy below:
 - A. Byes from other groups in the same rating group. Example – Two 3.0 Men will play with two 3.0 Women.
 - B. Byes from higher/lower scheduled rated play. Example – One 4.0 Women or Man will play with three 4.5 mix.
 - C. In situations where A and B do not exist, the bye may be filled by any club member.
6. Higher rated players can only play down when there are available slots to create a foursome, but they cannot play if it creates byes for the scheduled time slot. Players that wish to permanently or temporarily play down due to injury or not feeling competitive at your current level can contact the RRPC Treasurer to request a rating adjustment.
7. Paddle Up format. Players can self-rate as Novice, Intermediate or Advanced and play on the designated courts.
Challenge Play - Players can self-rate and play on challenge courts as designated. If desired, the challenge court winners will remain on the court until they lose.
8. Members' overnight guests may play during scheduled times, in accordance with RRAZ-PC Bylaws; see the website.
9. Courts will be cleaned on a rotating basis on Wednesday and Thursday at a time to be determined by RR HOA. This will have an impact on scheduled events and the club working with the HOA will try to minimize that impact. Please vacate the courts when the maintenance personnel show up to clean the courts.
10. **LIGHTS OFF AND ABSOLUTELY NO PLAY AFTER 9:00 PM OR BEFORE 6:00 AM.**
